Richmond Arms ☕
Wonderful views of Bath 🌅

The Allotment Growers Open Weekend is your chance to explore some of the city's growing spaces. The 2026 trail runs over the weekend 15-16 August. On **Saturday 15 August** join us on allotments in the **north and centre of the city** and on **Sunday 16 August** sites in the **south of the city** will be open. Further information about the trails and activities can be found on the website.

This is a great opportunity for you and your families to visit your local allotment, meet allotment growers, take part in free workshops and children's activities, or take a stroll through several allotments and take in the magnificent views.

Plot your own route along the trails using the maps and symbols to plan lunch stops and on-site activities. Entrance to the allotments and activities are free.

Visit Bath Allotments Association website at: www.bathallotments.org or scan the QR code for the latest information and trail maps

Saturday 15 August

Bath Organic Group (BOG)
10:00-12:00

Come and have a chat over a cup of tea and home made cake: find out about organic growing and see what's being harvested.

Lower Common East Allotments
11:00-14:00

Check out the brewing station (making your own natural liquid plant feeds) and the wildlife area.

Ring Common Allotments
13:30-14:30

Family activities – growing from seed, plant identification and have a go at drawing fruit and veg.

Sunday 16 August

Lyncombe Hill Farm Allotments
10:00-12:00

Make your own plant based soil improvers, fertilisers and pest-repellant brews.

Bloomfield Allotments
12:00-14:30

Regenerative Growing with Sarah Hargreaves 12:00-13:00
Family activities – explore the wildlife plot, make seed bombs and mini bug hotels 12:30-14:30.

Moorfields Road Allotments
10:00-12:00

Family activities.

Monksdale Allotments
11:00-16:30

Community exhibition of photographs & poetry 15:00-16:30
Tours of the community orchard and meet the chickens 11:00-16:30.

King George's Road Allotments
10:00-12:00

Find out about wildlife on the site and what it takes to build your own pond and bug hotels.
