

Lyncombe Hill Farm Allotments

The Lyncombe Hill Farm site is situated at the back of Alexandra Park and backs on to Lyncombe Hill Fields and Beechen Cliff School. It is a steeply sloping site with 56 plots and a two-year waiting list. Although the gradient of the site presents challenges, this is more than made up for by the beautiful views across Lyncombe Vale towards Prior Park and Bathwick fields. Thanks to the initiative of our site rep, Steve Marshall, some hard-to-let plots have been turned into a community orchard. Steve is on Plot 35 so if you are on the site do say hello.
